

## Language, Literacy and Numeracy (LLN) Assessment

<b>Student Name</b>	
<b>USI</b>	
<b>Date</b>	

### General information – all prospective students

This LLN test is for prospective CPCCWHS1001 – Prepare to work safely in the construction industry (White Card) students.

### Instructions for prospective students.

You can attempt this Language, Literacy and Numeracy (LLN) assessment to help identify whether you need additional support to complete your chosen course, prior to enrolling into the course. Your assessor can assist you to complete this task. Call 02 43823055 for this assistance. Where we think it is appropriate, we may ask students to attempt this LLN assessment.

Where needed, we can offer basic support in areas of reading, writing, oral communication, learning and numeracy. Should the level of support be beyond to what we can deliver, we recommend that you contact your local TAFE for specialist courses and/or contact The Reading and Writing Hotline on 1300 6555 06 for other courses available near you.

### Target core skills

This task covers ASCF:

- Reading, Oral communication and Numeracy at Level 1
- Reading and Oral communication at Level 2.

### Content coverage

This is a comprehensive task that will enable the candidate to demonstrate a range of evidence for Reading, Writing and Oral communication. The task requires the interpretation of a timetable presented in a table format.

### Instructions to assessor

This task requires the candidate to:

- read and interpret information on a timetable; it is important to check that the candidate understands how to read the timetable before completing the questions; offer appropriate support
- read and write answers, or listen to and verbally answer questions based on information provided in the timetable
- record information on a timetable given written information.

The text for this task is quite challenging, so it is important to provide significant support so that they can complete the task successfully.
